## We are the **ARTISANS OF HAPPINESS**

### **Each Yelloh! Village is unique**

**NO TWO OF OUR CAMPING VILLAGES ARE THE SAME AND YET THEY ALL SHARE ONE PASSION: OUR HOLIDAYMAKERS' HAPPINESS.**

We are **101 campsite owners**, all independent and all united under the Yelloh! Village banner since 2000. We each have our own personality and our own quirks, and yet we all have one thing in common: **we love people**. We love you!

And we've been preparing the next season with you in mind. When we design a new Premium area, extend a swimming pool, choose an even more spectacular waterslide, decorate a restaurant, conceive a service to make your holiday even easier, introduce a new activity or plant 200 blossoming trees... YOU are at the heart of it all, inspiring us to be—and to remain—the most beautiful outdoor destination.

Each Yelloh! Village is unique and that will never change. We will continue to celebrate our differences and to pursue our passions, because we believe in a world that thrives on individuality. The simple joys of a holiday are found in spontaneous experiences, authentic connections, genuine attentiveness, acts of kindness and thoughtful touches that create lasting memories.

*And that's why we call ourselves Artisans... Artisans of Happiness.*

## Safety rules

Face aux petits imprévus de la vie chez Yelloh! Village on aime faire rimer **vacances avec vigilance**. / In life there's always a risk of the unforeseen, so here at Yelloh! Village we like to ensure **holidays also mean vigilance** 🚨.

## INCENDIE, INONDATION, TEMPÊTE

### FIRE, FLOODS, STORM

#### Faciliter l'action des secours

- Reconnaissez les sorties de secours et les cheminements qui y conduisent.
- Connaissez et respectez les appareils d'extinction.
- N'encombrez pas leurs approches.
- Laissez toujours libre les sorties.
- Ne garez pas votre véhicule sur les voies où doivent passer les véhicules de sapeurs-pompiers.
- Stationnez votre caravane dans le sens du départ.

#### Prévenir des dangers

- Ne fumez pas dans les endroits où l'interdiction est affichée.
- Méfiez-vous des produits inflammables (l'utilisation d'alcool à brûler ou d'essence est interdite).
- N'apportez aucune modification aux appareils de chauffage, d'éclairage, ni aux installations électriques.
- Les feux de camp et les barbecues (sauf électriques ou gaz) sont interdits sauf sur les aires spécialement aménagées à cet effet.
- Fixez et consolidez au sol tout matériel (caravanes, auvents, tentes, ustensiles...).

#### Consignes générales d'urgence

- Gardez votre calme.
- Prévenez les urgences en composant le 112 ou prévenez la direction.
- Fermez le gaz à l'extérieur et coupez l'électricité.
- Laissez sur place votre véhicule et votre matériel de camping.
- Ne vous réfugiez pas dans les caravanes (en cas de forte inondation ou de tempête littorale, ces dernières peuvent être emportées).
- Dirigez-vous vers la sortie de secours la plus proche.

#### Make it easier for the emergency services to do their jobs

- Be aware of the locations of emergency exits and the routes to get there.
- Be aware of fire extinguishing equipment and use it correctly.
- Do not block entrances.
- Make sure exits can be accessed.
- Do not park your vehicle on routes which fire brigade vehicles need to use.
- Park your caravan facing your exit point.

#### Prevent hazards

- Do not smoke in areas where it is indicated that it is prohibited to do so.
- Beware of inflammable products (use of methylated spirits or petrol is prohibited).
- Do not tamper with heating or lighting systems, or electrical installations.
- Campfires and barbecues (except electric and gas) are prohibited except for in special areas set up for this purpose.
- Fix and secure all equipment to the ground (caravans, awnings, tents, utensils etc.).

#### Instructions in the event of an emergency

- Stay calm.
- Inform the emergency services by dialling 112 or inform management.
- Turn off gas supply outside and switch off electricity.
- Leave your vehicle and camping equipment where it is.
- Do not take refuge in caravans (in the event of severe flooding and coastal storms, these can be washed away or blown away).
- Go to the nearest emergency exit.
